TEACHING THE ART OF AUTOMOTIVE MODELLING AND DESIGN

## Getting prepared for your course with us

1

### Getting to us

Our training centre is located at **Unit 10, The Ordnance Depot, Bridge Street, Weedon Bec, Northampton, NN7 4PS**, providing easy access by car via M1 junction 16. Although perhaps not as convenient, we are also accessible by public transport, with Northampton train station approximately a 20-minute drive away. Free parking is available on site.

### What to expect on the day

Training runs from 9:30am to approximately 4pm, with a 30-minute lunch and a couple of short breaks. Full PPE will be provided, but please wear comfortable clothes and closed-toe shoes (avoid your best clothes as it's a hands-on course). Course materials will be emailed, but you may want to bring a notepad and pen for any additional notes.

4

### Facilities on site with us

Our facilities include toilets, a microwave for reheating lunch, and a fridge for food storage. Supermarkets and a variety of food spots are a short walk away if you'd prefer to go out at lunchtime. **Feel free to bring a packed lunch or explore local food options. Tea, coffee, and refreshments will be provided throughout the day.**
